## CLUBS

Need an idea for what to do with the much needed downtime this summer? Challenge your student to come up with a new and innovative club idea for the 2025-26 school year. They can check out the 2024-25 Clubs [here](#) on the Booster Club site if they need some inspiration to get them rolling.

Student Club advisor stipends are funded by Bret Harte Athletics and Booster Club. Please consider a [donation](#) to help us continue to fund these kinds of programs.

If you have any questions regarding student clubs, please contact Student Services.
